June 10th Room 1 & 4

June 11th Room 2 & 5

A Week in Bali

The school will be closed during the week of June 21-25th. We do offer a Daycare camp for those who need childcare. Please join us as we learn all about Bali, a tropical island in Indonesia. Please turn in your enrollment form no later than June 5th. Forms are available at the front desk. Please note that the camp is offered daily from **8-5:00 p.m.**

Care Packages:

We want to thank everyone for all the items that were brought for the troops in Afghanistan. Marbella Montessori contributed to the cause by covering the shipping expenses. The kindergarten class all wrote personal letters to the soldiers serving our country. Ms. Toni's fiancé will be visiting in June to thank everyone in person.

Summer Program:

Marbella Montessori is traveling to England this summer. Each week will be an exciting adventure as we visit historical landmarks and learn about their culture and traditions. Music will be extra special as we will focus on the famous group, "The Beatles". For science we will study the biggest group of insects, the beetle. Art will include a royal crown, designing a guitar, and a royal self portrait. The children will enjoy many fun activities, participate in a tea party, try different English food, and play some English sports.

Lemon Café:

Lemon Café is back with a splash of Silpada. The Kindergarten class is excited to host the second annual Lemon Café on June 2nd & June 3rd held in the main lobby. Sign up sheets to bring lemon goods items are placed on each classroom's file folder. Please bring your items the day before so that we can prepare for this exciting event.

Room 1 - Ms. Kristel

Dear Parents,

The month of May was fun and successful particularly when we took our trip through Australia. We discovered many great facts and gained a lot of knowledge. Also in May, the children learned fun new songs and enjoyed sharing them with their dads for our Father's Day celebration. We really took enjoyment in watching them all perform and showing off their talents. Let's not forget our Open House! It was so much fun seeing all of you here enjoying yourselves. The farm books were a joy to make and I hope you will treasure them as much as we benefited from making them with the children.

This being our last newsletter of the academic school year, we would like to thank you all for your support and dedication. We are so impressed by all the amazing children and the progress they have made. At the end of every-

day, we think back about how proud and how much we enjoy working with them.

For all the children and families who will be moving on next year to new experiences, good luck to you all. We will miss you so much and will keep the memories we made together close in our heart. As for our returning families, our time together has been so much fun and I look forward to making new and lasting memories. I also want to take this time to thank Ms. Alicia. She will be leaving us by the end of June to pursue new experiences. She has been the best assistant teacher I could have asked for and will miss her so very much.

Thank you,

Mrs. Kristel and Ms. Alicia

Dear Room 2 Parents,

This month we will focus on reviewing all the things we have learned in the past months, and recap on our sight words and handwriting skills. We will be getting our older group ready for kindergarten, reading small books, and perfecting our handwriting. Our younger group will work on our sounds, recognition and recall of numbers 1 through 20, and exercising our fine motor skills for writing.

The end of the school year has come, and it is truly bittersweet. The children have grown and blossomed into true Montessori students. They have acquired the self help skills and cognitive knowledge needed to grow forward on their future path. Each child continues to be an eager learner. I am so proud of all the accom-

plishments and milestones each student has embarked on throughout the year. I will miss all of my students who are moving on, their smiles, laughter and love have really made my first year lead teaching a remarkable and memorable experience. I just wanted to say thank you to all the parents for all your support and love you have shown me throughout the year. Your cooperation has been extremely important to build a good partnership to ensure each child has the tools needed to succeed in the classroom. Please keep in touch and send me an email so I know how your little one is doing, because I know they will move on to accomplish great things!

Room 3 - The Toddler Team

Room 3 Parents,

We are fast approaching the end of a wonderful year. The children have grown and experienced much throughout the year. This month we will continue to emphasize our alphabet sounds and mathematic skills. Over the summer you can continue to work with them by accentuating the beginning sounds of everyday items and reading to them.

Broadway musicals will be the focus of our music lesson. We will listen to songs from Oklahoma, Westside Story, and more! Please feel free to bring in any related material you feel the children would enjoy such as programs and play bills. For science we

Dear Parents,

It's exciting and sad that the school year is coming to an end. It's been great to see the students advancing in their daily curriculum, which we provide in the Montessori environment that is always prepared for the child's benefit.

I take this opportunity to thank all the parents for their great support and understanding throughout the school year. Mother's day was a great success and the children enjoyed the time they spent having breakfast. The students will continue to review the curriculum

will continue to review the water cycle and we will explore the life cycle of a lady bug.

On a personal note, thank you for a fantastic year. It has been a privilege to teach your children. I am very proud of them.

Ms. Diana

on a daily basis. I also thank all the parents for their thoughtful gifts for Teacher Appreciation Week.

I wish great success to all my students who will be moving up to the Kindergarten Room, and to my returning students I welcome you back with great pleasure. It's been a great honor to be a part of Marbella Montessori.

Have a great Summer Vacation.

Ms. Ramona.

Room 5 - Ms. Bernadine and Ms. Anita

Dear Room 5 Parents:

We cannot believe the last month of the school year has arrived. We have had such an amazing and wonderful time teaching and being with the children.

Last month the children went far and beyond their own talents when they performed on Mother's Day. Thank you everyone who helped to make it such a nice time. The children did a superb job on their state reports. They were excited to share their knowledge of the individual states they worked on. Our trip to Mr. B's was a great success, we were very proud of the children. They were polite and enjoyed paying for their own lunches and practicing their skills exchanging money.

This month we will review our continents that we traveled throughout the school year. We will discuss a variety of instruments and what

music notes are. Marbella Montessori will be hosting a Father's Day Breakfast which will be held on June 11th at 9:00 am. The children will perform first and then there will be a breakfast to follow. Graduation will take place on Wednesday, June 16th at 10:00 am, please join us for our final performance of the school year.

To the beautiful children who are moving on to new adventures, it has been an honor having you in our lives. For the children who will continue their education with us, it is a privilege to continue our journey with you next year.

Thank you,

Ms. Bernadine and Ms. Anita

Important Reminders for Parents

- Please make sure you empty your child's cubby before the summer vacation
- The progress reports will be placed in your child's file. Please make sure you take them home.
- If you have not turned in your re-enrollment form and plan to come back in September, please talk to Ms. Toni or Ms. Kia.
- If your child is attending school during summer, please make sure they have extra clothes in their cubby
- We have children that are apt to have a "FATAL" reaction to any nut products. We ask that you NOT include any nut products in your child's lunch or snack.
